Before the Conference

Get a Food Item to Donate

Admission to the conference is free and we ask that you bring a canned food item, which will be donated to the Emergency Food Network. We will also accept monetary donations on site at the conference. [Learn more about the great work going on at the Emergency Food Network.](#)

Review the [Event Schedule and Breakout Session Details](#)

Please note that there is no pre-registration for any of the breakout sessions. Space in the breakout sessions is available on a first come first served basis. Be sure to select your top choice and a second choice in case your top choice fills before you get there. A few of the sessions repeat. If you miss one, you may be able to try again later in the schedule. Finally, there will always be room for you to attend the session held in the main room – Exhibit Hall B.

Getting to the Conference

Important: The convention center lots have limited capacity and will fill early in the day. We anticipate more than 2,000 attendees to the conference this year.

Carpooling

We strongly urge you to self-organize carpooling to this event.

Parking

Parking at the Tacoma Dome station

FREE and Best Parking Option: We recommend you take advantage of the free parking and motor coach shuttle service from the [Tacoma Dome](#) lot to the Convention Center. Three motor coaches will run continuously from 6:20 AM to 9:00 AM and from 2:30 PM to 5:00 PM both days.

[Tacoma Link light rail service](#) is available from the [Tacoma Dome Station](#). Starting at 6:36 a.m., trains run every 12 minutes from the Tacoma Dome Station to a convenient stop right outside the main door of the convention center. **Important tip: Be sure to give yourself plenty of time.** The trains run every 12 minutes, but with hundreds of people trying to get downtown, they fill up quick.

Paid, onsite parking at the Convention Center

There are a limited number of parking spots available in the convention center's onsite parking lots at the rate of \$12 per day. Go to the [GTCC Parking & Directions](#) page to find directions, transit options and parking information.

Paid parking in the surrounding area

[Park Plaza North Garage](#) is located about 2.5 blocks from GTCTC

Some alternate paid parking is available in the vicinity. For more information about parking in the city of Tacoma, including a list of paid parking lots, see the [parking section of the Tacoma Public Works website](#).

Registration

Registration is in the 3rd floor lobby, most directly accessible from the convention center's main entrance on 15th Street.

Head there to:

- Drop off your canned food donation or monetary donation
- Pick up your name badge
- Pick up your conference program

Be part of the conversation! If you brought a personal mobile device or if it's allowed by your agency's policies, we encourage you to share your conference experience via social media. Tag us in your posts and use #GoLeanWA to share conference pictures and insights.

Eat Lunch

This is one of the things we've tried to improve, since area restaurants tend to fill up quickly around lunchtime. The agenda has been organized so that there are suggested lunch break times at 11:40 AM or 1:05 PM each day. With a wide variety of food options in downtown Tacoma, here are a few ideas:

- ❖ The Convention Center has a food court on the fifth floor of the conference center and two latte carts with grab-and-go items on the third and fifth floors.
- ❖ A dining guide will be provided at the registration area, with restaurants located along the free Tacoma Link light rail route.
- ❖ Order via Uber Eats, DoorDash, or explore restaurant delivery options – though we ask you utilize the first floor entrance facing Commerce Street to meet your driver.
- ❖ Bring your own lunch, although be aware that you will need to keep it with you for the duration of the conference.

After the Conference

Recycle Your Name Badge

Help us keep conference costs down by recycling your name badge in the bin by the information desk near the main entrance of the convention center.

Review Presentation Materials

We will post presentation materials and presentation videos on our website at www.results.wa.gov as quickly as we can after the conference (not all sessions will be recorded due to limited equipment/volunteers).

Take Our Survey

We want your feedback! Be on the lookout for a short survey about your conference experience. We value your input and use your feedback every year to improve this event.
