

Goal 2: Prosperous Economy 2.1 Economic Recovery Post-COVID

Project Title: Create and vet a process and framework that state agencies can use in decision-making that includes and elevates the voices of people/communities historically excluded from recoveries and economic well-being

The purpose of this project is to work with community to create and vet a process and framework that state agencies can use in decision making. This process and framework will provide a systematic approach to include and elevate the voices of people/communities historically excluded from recoveries and economic well-being.

✓ IN SCOPE

- Demonstrated progress can be made in 90 days; opportunity for longer term improvement
- Leverages existing agency resources and data
- Reduces risk for clients, agency, etc.
- Demonstrated impact for clients, employees, and/or agencies
- Strategy driven – in line with agency priorities and Governor’s Goal and Focus Areas
- A scalable process that will work for large and small agencies
- Vetting the concept and process

✗ OUT OF SCOPE

- Requires funding or legislative action as only solution
- Requires additional staff as only solution
- Requires IT work as only solution
- Shifts work to others as only solution
- Increase housing stock
- Federal/local government partners adoption/use of the process
- Development of strategies to address economic recovery
- Creating new data systems
- Implementation of the process
- A pilot of the process is phase two

Objectives	Target Dates
Identify community and schedule and hold engagements	10/2021
Meet with stakeholders (Government agencies and community)	10/2021
Develop process/framework, draft proposal for pilot, and develop agency change management/engagement strategy	12/2021
Begin pilot	7/2022
Assess pilot	12/2022
Adopt pilot	4/2023
