Power of Perspectives

“There is no collective power greater than a community discovering what it cares about.”

- Meg Wheatley, author, “Turning to One Another”

People: What role do you play in influencing change and growth? (organization, community, family etc)

Vision: In three words, how would you describe what is most important to you about the future you want to create?

First Step: When moving into the first steps of change, what do you do first?

Discovering Together

"The best way to predict the future is to create it."

Peter Drucker, father of management thought

Creating Action in Collaboration

What is one of the smallest things you could do that could come out of our time together that might have a significant impact on realizing our best possible future?

What is the one bolder possibility that we might consider doing together to help embrace a new tomorrow?
