Use the Right Tool for the Job

Directions:

- Please read the objectives in the below table.
- From the enabler choices below, choose which enabler best matches the objective. There will be one enabler per objective.
  - Communication
  - Education
  - Training
  - Development
- We will check our answer together.

Objective	Enabler
I want people to understand why it is important to come to the Lean conference.	
I want to be sure the online user can perform the conference registration steps.	
I want the online user to be able to explain what the Lean conference is.	
I want people to know the Lean conference is being held in October 2022.
