

Public Performance Review Process - Update

Our vision is to be a:

Collaborative partner championing the best results for the great state of Washington.

Our mission is to:

Improve state government by approaching complex issues through collaboration, performance management, and continuous improvement.

Public Performance Review (PPR) Process

- We have refocused our efforts and are partnering with state agencies to tackle complex, cross-enterprise improvement projects
- Work is guided by the Governor's five goal areas and agency priorities
- We are facilitating and coordinating each project team and applying the PDCA cycle to the work
- The goal is to provide up-front clarity as well as opportunities to check back with agencies

PPR - Cross-Enterprise Improvement Topics

Anchored in the Governor's Five Goal Areas, we are pursuing improvements in each of the topics below.

Goal 1: World Class Education

- Early Learning
- Career Connect

Goal 2: Prosperous Economy

- Economic Recovery Post-COVID

Goal 3: Sustainable Energy & Environment

- Combat Climate Change

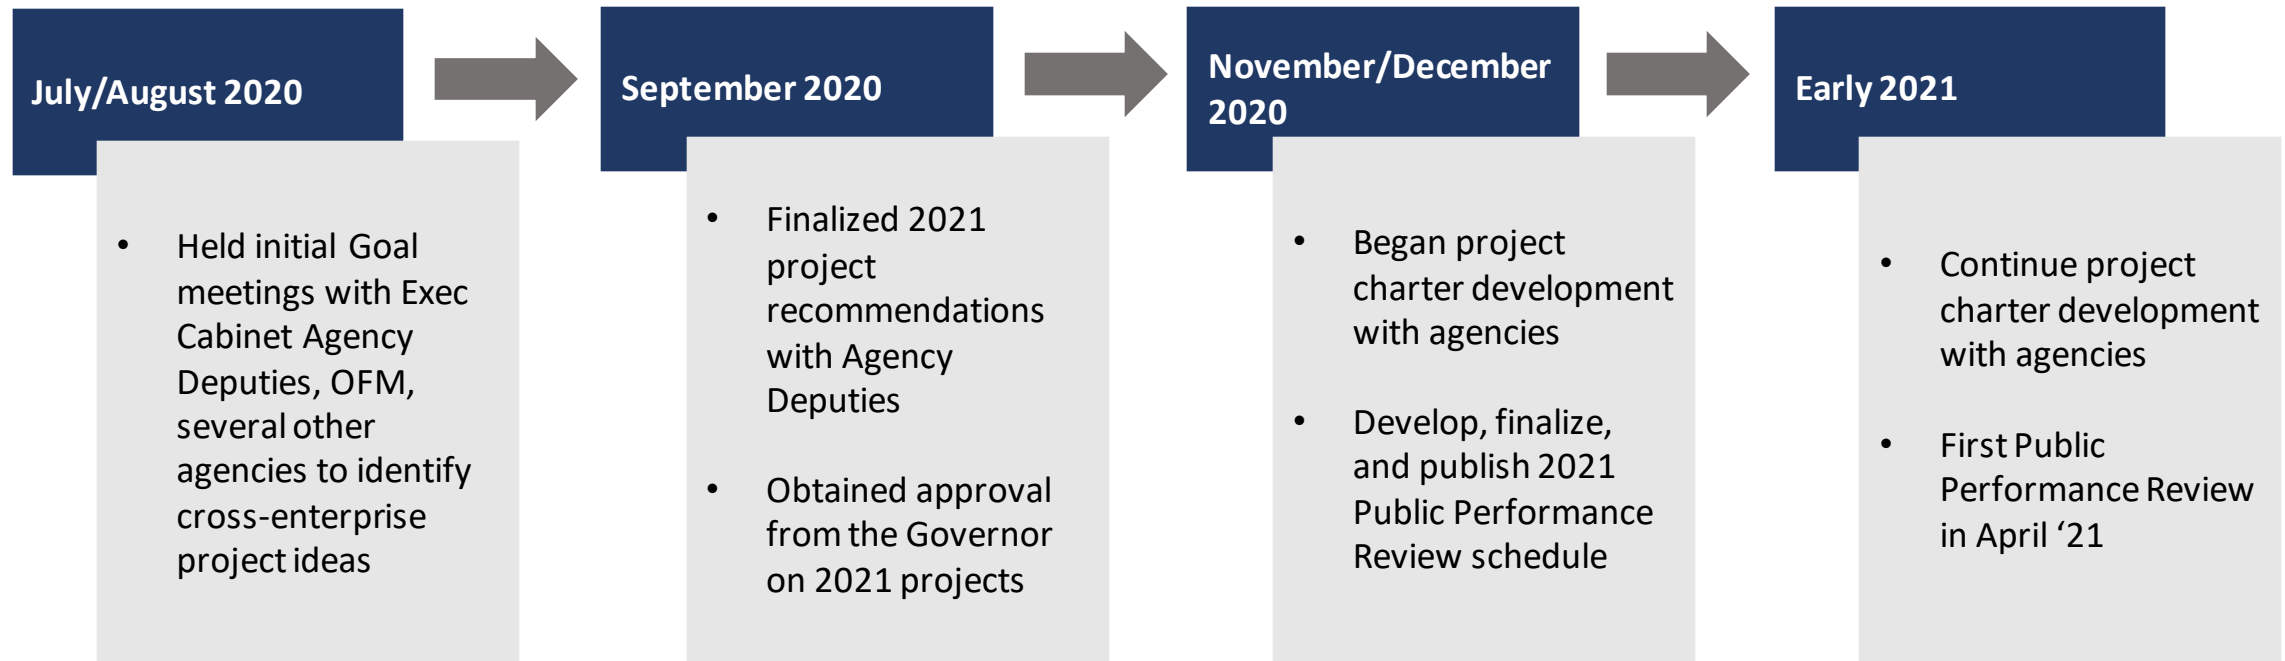

Goal 4: Healthy & Safe Communities

- Reduce Homelessness
- Behavioral Health Care System – Improving Community Options

Goal 5: Efficient, Effective & Accountable Government

- Diversity, Equity, and Inclusion
