Subject: Performance Report 2024

Dear Governor Inslee:

The Public Disclosure Commission is pleased to provide you with its Access Performance Measures for the period of July 1, 2023, through June 30, 2024. This annual update, required by [RCW 42.17A.065](#), measures the Commission’s timeliness in providing campaign finance data and lobbying expenditure information to the public. The campaign finance data includes reports filed by political committees, 2023 candidates, lobbyists, and lobbyist employers.

Performance Measure No. 1: Amount of Time Elapsed Between Filing and Public Access to Report

Campaign and lobbying data are available on the PDC’s website within 24-hours of being electronically submitted. Paper filings – delivered in person or through the U. S. mail – are scanned and posted within one business day of receipt.

Performance Measure No. 2: Filing Method (Paper or Electronic Format)

The filing method used by candidates, political committees, lobbyists, and lobbyists’ employers submitting reports to the Public Disclosure Commission under [RCW 42.17A](#) was:

Filer Type	% E-filing	% Filing Paper
2023 Campaign Finance Reports	99%	<1%
2023 Lobbying Reports	99%	<1%

Thank you for your interest in the Public Disclosure Commission. Please let me know if you have any questions.

Sincerely,

_____/s/_____
